

## **100 CATS WHO CHANGED CIVILIZATION: History's Most Influential Felines**

By Sam Stall  
Quirk Publishing  
1<sup>st</sup> Edition May 2007  
Available in hard cover

### **Book Jacket:**

Every generation brings a few elite cats who rise above their species. Cats who make a difference. Cats who inspire us with their bravery. Cats who broaden the world's understanding of science, history, art, and religion. These are the subjects of 100 Cats Who Changed Civilization, and this book documents the extraordinary true tales of their contributions. Readers will learn of:

Tibbles, the cat who single-handedly wiped out an entire species,  
Felix, the first cat to explore outer space,  
Snowball, the cat who helped to convict dozens of murderers,  
Ahmedabad, a Siamese kitten who sparked riots through Pakistan,  
and many more.

Packaged in a classy hardcover with black-and-white illustrations, 100 Cats Who Changed Civilization is the biography these fine felines deserve. It's essential reading for pet lovers and history buffs of all ages.
